Advance Shipment and Setup

If you wish to send exhibition materials in advance, please specify arrival on the afternoon of Tuesday, May 12, 2026.

Shipping Address:

Kunibiki Messe – ISRS2026 Main Exhibition Hall
 1-2-1 Gakuen Minami, Matsue, Shimane 690-0826, Japan
 Tel: +81-852-24-1111

Important Notice:

- Advance shipments will be stored in an unlocked area accessible to the general public.
- Please refrain from sending valuable or expensive equipment in advance.
- Due to limited storage space, items may be stacked.
- The Organizing Committee cannot assume responsibility for any loss or damage to items delivered in advance.

Dismantling and Move-out

All dismantling and removal must be completed by 12:00 on Friday, May 15, 2026. Please arrange your own pickup by 16:00 on May 15.

Booth Specifications

Panel: W2400 × H2100 (two panels) per booth

Table: W1800 × D450 per booth

Chairs: Two chairs per booth

Power: Two power strips per booth

Network: Wi-Fi is available. If a dedicated high-speed internet connection is required, please arrange it independently.

Parking

Public parking is available at the venue. However, as it is shared with other users, we kindly request that exhibitors use public transportation whenever possible.

Corporate PR Session During Lunch

Corporate presentation sessions (5 minutes per company) will be held during lunchtime (12:00–13:00) on **May 13 and 14 at the lunch space**. All presentations will be conducted in English. A projector will be available, and you may use your own laptop to display your presentation. Please make the necessary preparations in advance. A microphone will be provided; however, audio output from your PC will not be supported.

There are no specific restrictions on the presentation content or format. The detailed presentation schedule is shown below.

Timetable: PR Session

May 13

Date Time	Company Name

Younr Scholar Night

Free-pass holders are cordially invited to attend the Young Scholar Night, which will be held at the exhibition venue from **17:30 on May 14, free of charge**. This event is primarily intended as a networking opportunity for students; however, it may also be utilized as an opportunity to engage with students and support recruitment activities.

Complimentary Passes

Two complimentary exhibitor passes will be provided for exhibition staff. These pass holders may also participate in the conference lunch and reception.

For subsidy application purposes, if any of the following conditions apply, please inform the corporate exhibition contact with the relevant details:

- Residents of Shimane Prefecture
- If your accommodation schedule in Shimane does not cover May 12–14

Note: If three or more participants attend from your organization, please complete conference registration prior to the event.
