Abstract : This is a style example in preparing a paper of the annual meeting of the Remote Sensing Society of Japan. This abstract and captions of figures and tables should be written in English. The abstract in English should be limited within 100 words. Captions of figures and tables should be started as in Fig.1, Fig.2, Table 1 and so on. (9 point)

Keywords : abstract, captions of figures, annual meeting.

(Leave single space)

1. Paper (Chapter: bold, gothic, etc)

Use A4 (21.0 cm x 29.7 cm) white paper.
Leave margins (Top: 30mm, Bottom: 26mm. Right: 21mm Left: 21mm). Use word processor

2. Fonts

Use English Times, or types of Times

3. Title, Name, Affiliation

i) **Title is in 12 point**, at the center of the first page. Japanese title followed by English title (use only English title if the main body is in English). **The title and authors must be the same as those in the application form (no changes are accepted).**

ii) Superscript numbers on the top-right of authors should correspond to affiliations. Affiliations are at the left-bottom of the text separated from the text by a single line (see the example below). Use smaller fonts.

iii) Addresses, telephone numbers and E-mail addresses are after the affiliations.

4. English Abstract

- i) English abstract is within 100 words.
- ii) Use 9 point font size.
- iii) "**Abstract:**" is written with 9 point font size with bold and italic.

5. Keywords

Write several keywords after the English abstract. "**Keywords:**" is written with 9 point font size with bold and italic.

6. Text

- i) Use 9 point or 10 point fonts.
- ii) Adjust word and line separations in order to set approximately 25 words and 50 lines per column.
- iii) Text must be two columns separated by 5 mm as in this example.
